SUMMARY

I am a motivated and detail-oriented Computer Science Engineering student with a solid foundation in software development, web technologies, and problem-solving. I am passionate about building scalable applications and continuously expanding my knowledge of new technologies. I am actively seeking an internship to apply my skills in a professional setting and contribute to impactful projects

EXPERIENCE

Intern

Infonaya Software

09/2022 09/2022

WordPress Internship

- Gained hands-on experience in website development and customization using WordPress
- Worked on theme customization, plugin integrations, and website optimization

Intern

Internship Project
